

APPLICATION

Application for BASF & Nunhems Supervised Agricultural Experience (SAE) Grant

BASF, in partnership with Nunhems, offers \$2,500 in grants divided between five individual California FFA members to start or expand their Supervised Agricultural Experience (SAE). Five current California FFA Students will be selected to receive a \$500 grant for their SAE.

BASF operates a vegetable seed business under the Nunhems brand in the Sacramento area. They offer partnership and customer-oriented solutions for the entire vegetable value chain, including growers, processors, plant raisers, dealers, traders, retailers, and food service industry-tailored to consumer needs and trends.

On an international level, BASF creates chemistry for a sustainable future. They combine economic success with environmental protection and social responsibility. The approximately 111,000 employees in the BASF Group contribute to the success of our customers in nearly all sectors and almost every country in the world.
