### **CA FFA Greeting:**

Hello California FFA, my name is David Lopez this year I have been blessed with the opportunity to serve as your FFA State Sentinel. I can't wait to get to know you and understand your goals and what makes you unique. I look forward to the genuine conversations and long-lasting friendships we will build throughout this year.

### **FFA Biography & Timeline:**

I first joined the FFA Program with one goal, to show livestock at our county fair! However, as I have had the opportunity to be part of different CDE's, LDE's, and officer positions I have grown a passion for agriculture education. I started off with B.I.G, this CDE inspired me to try different activities such as; vegetable Judging, pest control, impromptu, extemporaneous, and agriscience.
