Two options for paid registration fees:

- **Option 1) Refund:** Refunds will be issued directly to the chapter and mailed to the school's Ag Department. Registration refunds will be issued starting April 15.
 - Chapters which paid conference registration via check/PO will have their original payment returned.
 - If the check payment received included items in addition to conference registration, the check will be processed and a refund check will be issued for the conference portion of the payment, providing the chapter is in good financial standing.
 - Chapters which paid conference registration via credit card will be issued a credit card refund.
 - If the credit card payment received included items in addition to conference registration, the credit card refund will be issued for the conference portion of the payment, providing the chapter is in good financial standing.
- **Option 2) Deferring Funds:** Chapters have the option of deferring funds and carrying a credit for the 2020-21 school year. This deferred funds can be used for any state association expenses. They are not applicable to regional expenses.
 - Registrations fees for 2021 may not be the same as 2020, therefore this credit will be for a dollar amount.
 - Any chapter interested in applying 2020 conference registration fees to the 2020-21 school year for association expenses should email Trisha Chapman at tchapman@californiaffa.org prior to April 15.

PLEASE be patient and refrain from calling or emailing regarding refunds until after May 15. The FFA Center Staff is working diligently in processing refunds and returning checks.
