

Sectional Leadership Nights

Greetings Chapter Leaders!

We are excited to kickstart a new activity to help our fellow members move their chapters forward and begin a great year! This year, we will help elevate agricultural education through **Sectional Leadership Nights**, where chapter leaders can come together, connect and share ideas, and gain new skills that they can put to use immediately!

Here's how it will work: chapters can each register up to 30 participants for their respective leadership night (schedule is on the next page) at a link found by using the following QR code. We've also posted a link in the email in case the QR code acts up! Follow all the way through the process and sign at the bottom before pressing submit.

We expect the same enthusiastic, respectful behavior at the leadership nights that you would display at an in-person FFA conference. You can wear one of three options of attire: FFA official dress, business casual or FFA gear (conference shirts, chapter shirts, etc.). Registered participants will get a Zoom link sent to their email the day of their sectional leadership night.

The leadership nights will roll out like this:

4:00pm: Welcome and Keynote Address

4:30-5:30pm: State Officer Workshops

5:30-6:00pm: Dinner Break

6:00 -7:15pm: Regional Officer Workshops

7:15-7:30pm: Closure and Next Steps

Open up your camera and follow the QR code to register

We are excited to see you all as we navigate new challenges and elevate California FFA!
