

12/7/20 State Staff Recap

CDE Update – Charles updated us on a policy that will be developed regarding our Facebook. Potential CTE funding may be coming our way. Upcoming CDE meetings: 12/15:10:30-1:00 and 1/7 11:00-1:00

Timesheets – Nina updated us on the new time sheet procedure for CDE building staff.

Contract Updates – Rosa updated us on the contracts. Chuck commended Diane and Rosa for their contract efforts.

CATA/FFA Center Update – Matt is finishing up the end of the year calendar items and getting ready to play Monopoly at the FFA Center for their Christmas party.

FFA Foundation News – Maureen updated us on “GivingTuesday” raising over \$75,000.00.

Greenhand Conference - Hannah is only a few chapters short of reaching registration goals. Positive responses and “big wins” for these chapters who already have engaged in the conference.

SLE – Not for 2021, but Chuck has requested that Hannah work on some “local activity” and bring the proposal back to the staff. Test #2...if you are really reading these minutes, please let me know.

Dane proposed that we create an environment to extend a “thanks norm” to all of those who help us pull off FFA events.

Road Show – There were some teachers who completed 100% of the workshops within four hours.

“No Cheating” statement – Chuck and Matt will collaborate and prepare a statement regarding potential cheating during these virtual times.

12/14/20 State Staff Recap

AET Update – Roger shared with us how to edit teacher profiles.

State Stars Program – Toni Lindeleaf shared with us her vision for Star recognition with financial awards. It will not be noted as a ‘scholarship’! Dane, Chuck and Toni will continue to “work on it”!

MFE/ALA/SLE - Hannah updated us on the progress of the MFE/ALA registration cost pending Board approval. \$20.-25./student with student materials sent to the school. SLE – Hannah previewed options and we are letting the Board know that we are still working on “something”! If you are really reading these minutes, please let me know.

National Proficiency applications – It was moved and second that California FFA allow students to apply for state Proficiency awards with one year of membership. Motion failed 3-2. It was moved and second that only state winner applications be forwarded to national competition. Motion passes 4-0. 2nd place winners will not be invited to submit a national application.

CDE – Next week, we will discuss this more.

FFA Update – All “state applications” will rely on AET for FFA involvement. Dane will send this information out. New website will open 12/21.

Ag Sales Product - TBD

“Secret Santa” exchange – Friday, December 18, 6:00 p.m. Shay will send the information out.

12/21/20 State Staff Recap

State Degree verification – It was moved and second that new “Manual” will not be utilized this year but will be implemented from the freshman class on. Motion passed. (Separate years for the market projects, and journal entries are the specific changes.)

This year, we need to look for the following:

- Projects are ag related with a current project in 2020
- Complete the “project start-up” statement/SAE Plan (updated annually)
- Multiple monthly Journal entries and income recorded.
- “Teachers will talk” ...BEWARE!

We will review 3% or 1 of each chapter’s applicants.

Shay will prepare a “how to video”. Thank God, not just for Greg, but JessaLee too!

Regional Proficiency - It was moved and second that Regional Proficiency applications will be due March 5 and state judging will occur after school time, the week of March 8-12. Motion passed.

ROLC dates will be late July, early August.

We will meet in 2021.

Merry Christmas and a Happy New Year to you all...CHEERS!
