## 2020 Delegate Committee Reports

---

### **PROGRAM OF ACTIVITIES COMMITTEE**

*The Program of Activities Committee is to develop recommendations related to various areas of the California FFA Association's Program of Activities.*

#### **Student Exposure to Agriculture Careers – Subcommittee 2.4**

*The purpose of the Committee on Agriculture Careers is to suggest educational experiences for students to learn about agricultural careers in California. The committee should explore field trip opportunities, online resources, chapter resources kits, etc.*

*The subcommittees were chaired by:*

*Ana Machado, Brandon Sweat, and Addison Taylor*

*The Committee recommends the adoption of the following resolution:*

- Whereas, there is a lack of promotion and student access to the state conference tours.
- Whereas, not all students are exposed to opportunities in industry experience
- Whereas, many students are not aware of the variance in agricultural careers
- Whereas, students struggle to figure out what career path is right for them

*Therefore, be it*

- Resolved, that there will be more promotional videos for state conference tours via California FFA social media pages, State Conference session highlights, and a state conference tours tab for students on [Calaged.org](https://calaged.org).
- Resolved, California FFA add online resources for all students to find industry experience opportunities
- Resolved, highlight past FFA members and their current careers in agriculture
- Resolved, California FFA promote the Ag Explorer resource where students can take a quiz to help discover their career path

Respectfully Submitted,

Committee Chair

Austin Landry, Lincoln FFA
