Endowments:

Endowment gifts provide permanent support for the California FFA Foundation. Your contribution is invested, and a portion of the earnings is used each year to provide support while preserving the principal for future generations.

An endowment allows you to create a lasting legacy in support of California FFA members and agricultural education. If there is a particular program, initiative, or area of the California FFA mission that is meaningful to you or your family, we would welcome the opportunity to discuss how an endowment could support that vision.

Already Established an Endowment?

If you have already established an endowment benefiting California FFA Foundation or included the Foundation in your plans to establish one, please let us know! We would love the opportunity to thank you for your generosity and, with your permission, recognize your commitment to supporting future generations of California FFA members. You are not obligated to share details of your gift.
