Jaimie Lynne Pettey (1976-1992) grew up with livestock and was involved with 4-H and showing sheep at a very young age. Her showing career began at the age of 9 when she became an "official 4-H'er." As the youngest member of the "Pettey Kids Southdowns," her sheep were her main project. Always having loved birds, she later added an ever-expanding pigeon project. And, after joining FFA, market hogs and steers were added.

Jaimie loved FFA for the many opportunities it offered, not only in livestock and judging, but in leadership, public speaking, and working with others. She was the Bloomington Chapter Secretary and Citrus Section Sentinel for 1991-92. In 1991 she received the Star Greenhand award, and in 1992 the Star Chapter Farmer. She received gold awards in project competition in 1991 and 1992, and was selected best President in Section Parli-Pro competition.

FFA helped Jaimie set some high goals for herself. Her ultimate goal was to go on and become an agriculture teacher so that she could share some of what 4-H, FFA, and agriculture had done for her. Jaimie was fun-loving, but also dedicated and hard-working. She was happiest when she could combine the fun and the work. Fairness, honesty, and friendship were important in her life. But above all, she believed in doing the best job possible, not giving up, and living every day to the fullest.
